Dear Parent/Carer

### Positive Pathways Evening

I would like to invite all S3/S4/S5/S6 pupils, parents and carers to our **Positive Pathways Evening**.

This year the event will be hosted at **Denny High School** on **Thursday 13 September** at **7pm**. Can all attendees please enter via the main school entrance where you be directed to the Assembly Hall.

The purpose of the evening is to discuss the wide range of potential positive destinations available to pupils and provide valuable information about the various routes into them. To increase the number of providers able to attend the event, as with last year, is being organised in conjunction with Denny High School.

The evening will begin with a short presentation from Mr Miller (Rector, Denny High) in the **Assembly Hall at 7pm**. Attendees will then have the opportunity to attend 3 workshops which pupils and parent/carers can attend. The evening will close with a presentation from SAAS for all attendees.

Please find the attached programme which includes details of all presenters of the workshops and stalls. Each session will run on three occasions to ensure everyone is able to attend. In addition, there will be over twenty service providers and education establishments hosting stalls for the duration of the evening for everyone to access and ascertain additional information.

To ensure we are aware of how many people will be in attendance can you please complete the survey on the link below or scan the QR code opposite:

We are fully aware that both pupils and parent/carers must be provided with as much useful information as possible to ensure our young people can make informed decisions about their future. The information evening for parent/carers is part of this process. I hope you will be able to attend.

Yours sincerely

Jon Reid
