Dear Parent / Carer

### Education Scotland Inspection

I am sure you will be well aware that the school has been undergoing an inspection by a team of HMI from Education Scotland this week, as part of their cycle of quality checks of schools across Scotland.

I am delighted to let you know that the Inspectors have been impressed by what they have observed and by the many young people they spoke with, in and out of classes. During the course of this week our pupils have shown an incredible amount of respect and pride towards their school and that came across very clearly to the team. We are very proud of them.

We had a big story to tell about our school and that depended on a large number of staff, pupils, parents and partners. I would like to thank everyone who took time out of their schedule to help us, their support has been invaluable. The report, and related material, will be published towards the end of March following quality assurance checks by Education Scotland and I will, of course, send you a copy at that point.

In the meantime, rest assured that we are continuing with our core business of learning and teaching and, importantly, ensuring our young people are well prepared for the forthcoming SQA examinations. Business as usual!

Best wishes.

Yours sincerely

Jon Reid  
Rector
