24 February 2017

Dear Parent/Carer

### **Curriculum Review Information Evening – Tuesday 7 March 2017**

We are approaching the time of year when pupils review their curriculum and make decisions about their courses for next session. In order to allow you to make informed decisions with your child, I would like to invite you to the Curriculum Review Information Evening to discuss the process for pupils as they progress into S2 next session.

The evening will start at 6.30pm with a 15 minute presentation in the Assembly Hall followed by the opportunity to discuss courses with subject specialists who will be on hand to explain what is involved within each curricular area and answer any questions. In addition, there will be a number of workshops running throughout the evening (information on the next page) with a targeted focus to allow you to find out more information about specific aspects of the curriculum. You do not need to sign up to a workshop as pupils will be available to guide you throughout the event.

All curriculum reviews will take place between Wednesday 8 March and Tuesday 28 March. Your child will be issued with an appointment from a member of the Year Team (either their Pupil Support teacher or their Head of Year) prior to the process commencing. You are more than welcome to attend this appointment with your child to discuss their curriculum for next session. In order to support you in the decision making process, information is available on our website describing all courses and the options available for pupils.

If you have any questions then please do not hesitate to contact your child's Pupil Support teacher.

Yours sincerely

Jon Reid  
Rector
