Dear Parent/Carer

### **S1 Residential**

As you may be aware, our S1 pupils have the opportunity to visit Lendrick Muir for their S1 Residential. Located in the countryside of Kinross, Lendrick Muir provides our pupils with a chance to participate in a variety of outdoor activities as well as enjoy welcoming recreational areas, a large sports hall, pool tables, table tennis and an adventure playground. Pupils will be encouraged to build new relationships as well as develop their team working skills and self-confidence through a range of planned activities which link directly into the Optimum Award all S1 pupils participate in throughout the year.

As a school, and a Year Team, we believe that this is a fantastic opportunity for all of our young people to develop new friendships in preparation for their move into S2 and to consolidate the skills and knowledge they have developed through their time at LHS, in a practical and engaging environment. As such, we are keen that as many of our S1 pupils as possible attend. If you would like to get a flavour of what goes on during the Residential, we posted several trailers on Twitter - please see Mr Auld's Twitter page (@MrAuld\_LHS) to view the videos.

It is still possible to book a space for your child on the Residential and I would encourage you to discuss the trip with your child again as it is an amazing trip and they will thoroughly enjoy the experience. If your child wants to attend the Residential, however they are unable to attend due to the associated costs, we would ask that you contact the S1 Year Team and we will be able to apply for a funding request to help meet the costs of the Residential.

Permission forms for the trip can be found on our school website by following the link below, or can be collected from the S1 Year Team base.

If you have any queries or concerns about the Residential, please do not hesitate to get in touch with myself.

Many Thanks

Mr A. Johnston
