Dear Parent/Carer

S1 Opportunity – Swimming Lessons

I'm Daisy, a Year Team Captain at Larbert High School. I specifically work with the Targeted Supported department in the school and am writing to you in regards to a new opportunity open to pupils in S1.

I am keen to start swimming lessons within the school for First Year pupils. The goals of the lessons are to improve pupil's ability in swimming and also build on their self-confidence.

The lessons will be run by myself, as I am a Swimming Teacher for the council and two other Year Team Captains. This is a really exciting opportunity for pupils in S1 that are looking to start/improve in swimming.

Below I have attached a link that will take you to the survey that you must complete if you are interested in your child taking part in this opportunity. Could this please be completed by the end of next week (2nd February).
