

# Leadership Academy 2018

## Information

LEADERSHIP

ACADEMY

# Purpose

The **Leaderships Academy** was launched in 2016 and has been refined this year alongside the new pupil leadership structure to provide more opportunities to be involved in the life of the school and develop leadership skills.

The purpose of the **Leadership Academy** is:

- To provide formal leadership opportunities for S1-6 pupils
- To develop senior pupils as leadership mentors for junior school
- To provide formal opportunities for pupil voice
- To develop leadership skills essential for life in work, training or further education

The Leadership Academy consists of **9 Leadership Teams** directly linked to a school improvement focus. Each **Leadership Team** will be led by an S6 from the **Leadership Academy** and will be supported by leaders from S1-6.

All **Leadership Academy** participants will be working towards their Saltire Award throughout the year.

## Your Role

Role	Duties
S1-5 Leaders	<ul style="list-style-type: none"><li>▪ To lead and support specific projects within and outwit the school</li><li>▪ To provide a voice for pupils in school</li><li>▪ To develop leadership skills for work, training or further education</li><li>▪ To represent the school as an ambassador/role model</li><li>▪ Support S6 Leadership Academy student with recording and reporting on progress</li></ul>

# The Groups

The table below highlights the groups pupils can join and the focus they have within LHS.

<p><b><u>Library Study Mentors</u></b></p>	<p>The group will link with the new BGE Skills Clubs and will support homework and study clubs across a range of subjects. The group will also provide an opportunity for pupils to decide how they can provide more opportunities to engage pupils in Literacy Events within school and link directly with the World Literacy Day. There is also the potential to be Larbert's 1st Cluster Reading Support Stars.</p>
<p><b><u>Sports Ambassadors</u></b></p>	<p>This group will link directly with Greg Nicol and TCSC. The group will be responsible for developing the extra curricular programme within LHS and the Cluster Primaries. The group will also be integral in planning and developing LHS's 1st Sport-a-thon and the annual sports day.</p>
<p><b><u>Digital Geniuses</u></b></p>	<p>This is a new group and will link directly with the Digital Learning School Improvement Group. Pupils will work alongside and in partnership with staff and S3 pupils in the roll out of the 1:1 device strategy within LHS. The group will be responsible for developing pupil and staff knowledge of apps, sharing documents and supporting general classroom use. The group will lead on how we can develop the use of our new ICT facilities.</p>
<p><b><u>Events Management</u></b></p>	<p>This group will lead school events in relation to organisation, implementation and planning. This includes S1/2 Festive Ceilidh, P7 Visits, Film Festival, Special Visits and any additional events the group would like to develop.</p>
<p><b><u>School &amp; Faculty Publicity</u></b></p>	<p>This is a new group and will be responsible for linking directly with faculties to support them in their publicity. Each group will have the opportunity to liaise and discuss with individual faculties about how they would like to share what has been happening with different year groups. For example, would they like a publication, a video or pupil interviews? How will the faculties look around the school? How can you help to develop their profile?</p>

<b><u>Rights Respecting School</u></b>	This group is a combination of a number of very successful and long serving groups within the school. The aim of this group is to collate all the good work that happens within each of the sub groups of Amnesty, Charities, LGBT etc and work towards the school achieving their UNICEF Rights Respecting School status.
<b><u>STEM</u></b>	This group will follow on from the successful work of the STEM faculties and will be responsible for developing and leading the Extra Curricular programme. They will also be responsible for planning and leading a variety of different events to promote STEM within BGE as well as our cluster primary schools.
<b><u>Sustainable Futures</u></b>	This is a new group and has been formed around the very successful Eco Schools group. The group will be responsible for further developing the Eco group within LHS and ensuring that we are able to link out with the school and classroom into the community and beyond.
<b><u>Global Citizenship</u></b>	This group will be responsible for further developing our well established link with Woodlands in Cape Town. We need new ideas on how to improve the link, how to engage with our local primaries, how to have regular learner conversations with Cape Town, and how to ensure that we are able to select the next set of pupils for the trips.

## Get Involved
